# S Y N O P S I S

*“Our opinions and perceptions are being managed by a corporate media; there is no public policy, only corporate policy. How can we reconcile continual war, wiretapping, unanswered 9/11 questions, torture, rendition, terrorism, the loss of freedom, police brutality, news suppression, the bailouts, evaporation of the public option, a toothless financial reform, no real audit of the Fed, BP's constant lies, political bribery, uncharged war criminals and corruption beyond belief?”*

*Media manipulation is orchestrated by an elite never held accountable. The extent that big money has taken control of the media, of who & how we elect officials, of governmental policies both at home and abroad is a reflection of a public that continually chooses to do nothing.”*

*“If we understand the mechanism and motives of the group mind, is it not possible to control and regiment the masses according to our will without their knowing it?” ~Edward Louis Bernays – father of Public Relations, author of Propaganda, nephew of Sigmund Freud*

*“What we wanted to do was have a terror campaign.” ~Howard Hunt, head of CIA Operation, Guatemala, 1954*
