### The Obama Deception: The Mask Comes Off

[122 min]

**S** *The Obama Deception* is a hard-hitting film that completely destroys the myth that Barack Obama is working for the best interests of the American people. The Obama phenomenon is a hoax carefully crafted by a corporate / military industrial oligarchy.

**y** Covered in this film: who Obama really works for and his  
**n** real agenda. It skewers the false left-right paradigm, the  
**O** CIS/military industrial owned and therefore controlled  
**P** mainstream media and the unholy alliance between the  
**S** Federal Government and the private offshore banking  
**i** cartel that is the Federal Reserve.

**S** It may finally get people to understand that there is a  
shadow government behind our puppet government - run  
by the Rothschild-Rockefeller-British & Dutch Royal  
Family and assorted Bilderberg cohorts.

"Politics in America today is identical to Pro Wrestling... in front of the cameras and the public, we all hate each other. Behind the scenes, we're all friends going out to dinner. It's show-biz." ~Jesse Ventura

"The money powers prey upon the people in times of peace, and conspire against it in times of war. It is more despotic than monarchy, more insolent than autocracy... I see in the near future a crisis approaching that totally unnerves me and causes me to tremble for the safety of my country."  
~Abraham Lincoln

"The Military Industrial Complex has taken over the country along with the Wall Street gang."  
~Gerald Clente, Trends Research Institute

"[Obama's appointments] are all Wall Street. Pure Wall Street." ~Webster Tarpley
