"I cannot recommend it highly enough." ~Glenn Greenwald

"There are generally three types of people: The first type are people who 'make things happen'. The second type are people who 'watch things happen' and the third type are people who 'wonder what happened'."
~anon

"The Cold War has been the most irritating thing to me personally. Throughout my life we've been in the grip of militarism and military budgets and a mindset that dictates a war on Communism, and that's a drain on the national energy. The real enemy is nationalism and patriotism."
~Oliver Stone

"Propaganda is to a democracy what violence is to a dictatorship."
~William Blum

"Forgiveness is giving up the hope that the past could have been any different."
~Jack Kornfield, PhD
